INTERNAL STEAM NOTICE.

IT is notified for general information, that Baboo Hiraloll Mookerjee has been appointed Government Steam Agent at Rampore Bauleah, from the 1st instant.

By order of the Superintendent of Marine,

(Sd.) J. H. JOHNSTON,
Controller of Govt. S. Vessels.

Steam Department, the 15th August, 1849.

CHARGE OF FREIGHT ON ALL PACKAGES BY THE GOVERNMENT STEAMERS TO ARRACAN AND MOULMEIN.

HIS Honor the Deputy Governor of Bengal seeing no good reason why the privilege of filling the spare space on the Government Steamers employed in monthly voyages between Calcutta and the Ports of Arracan and Moulmein, should be not only limited to the servants of Government, but that they should be allowed to send their packages free of all charges, whilst private parties are deprived of the benefit of the Steamers, although willing to pay freight for their goods, has been pleased to command. that in future the tonnage that may remain unoccupied in the Government Steamers after the demand of the public service has been satisfied, shall be available for the conveyance of packages and goods to Arracan and Moulmein, without reference to whom they belong, upon payment of fixed rates of frieght, which, in consideration of the speed and certainty of Steam communication and to avoid all undue interference with the private carrying trade of sailing vessels, His Honor is of opinion should be considerably higher than those of such vessels.

Notice is hereby given therefore, that in the Steamer to be despatched on the 10th of September next, and thence forward, the space, or tonnage unoccupied by Government Stores will be assigned to parties lodging their applications within the hours appointed by advertisement at the rates below stated, but the object of Government being to afford the greatest possible measure of convenience to the public, and particularly to the residents in the provinces visited by the Steamers, the amount of tonnage that may be granted upon each application will be fixed in the Boat Office with reference to the extent of tonnage available and the aggregate of the demand for it.

The charges for Freight will be calculated upon the weight of 20 cwt. for heavy and 50 cubic feet for light goods, and all goods will be considered light, which do not weigh 45 lbs. per cubic foot and will be charged by measurement.

The measurement of packages will be made with reference to the space they must occupy without any reference to voids. Thus, a Table standing on legs will be measured according to the space required for it to stand in, without any allowance for the voids between the legs, which, however the shipper may fill up at his discretion with any other articles, so making one package of the whole. A Petarrah will be measured without reference to the tapering form of its lid, but as if it were a square box, &c. &c.

The rates will be between—

Calcutta and Arracan, ...	Rs.	30 per ton.
Calcutta and Moulmein, ...	,,	40 ditto.
Arracan and Moulmein, ...	,,	30 ditto.

and no package will be received at a less charge than Rupees 5.

The Freight on goods shipped in Calcutta, must be paid on shipment.

It will be optional with parties shipping Goods for Calcutta to pre-pay or to send them bearing.

The Freight on Goods conveyed between Arracan and Moulmein must be pre-paid.

Cattle and Conveyances will be shipped only under special permission.

Cattle will be charged 3 tons per head, including Fodder and their attendants as Deck Passengers, but only one attendant will be allowed to each head of Cattle.

Dogs, Goats, Sheep, &c., will be charged Five rupees per head.

Conveyances will be charged by measurement of the space they occupy.

The charges for Cabins and Table remain as heretofore, but only the furniture and baggage required by a passenger for the voyage will be allowed in the Cabin, all else, Stores, &c., will be placed in the hold and charged as freight.

All servants must be paid for as Deck Passengers.

The charge for a Deck Passage will be

To Arracan, ...	Rs.	15
To Moulmein, ...	,,	30

A Deck Passenger will be allowed as baggage a roll of bedding, 2 feet wide, and a box of 5 cubic feet measurement, all excess will be charged as freight.

A Quarter Deck Passage will be charged.

To Arracan, ...	Rs.	20
To Moulmein, ...	,,	40

A quarter deck Passenger will be allowed a bed rolled up, a portmanteau or trunk of 5 cubic feet and a chillumchee.

Printed copies of the Regulations and rates of charge for passage and freight may be had on application at the Government Steam Boat Office.

By order of the Superintendent of Marine.

The most Noble the Governor General is pleased to grant 2nd Lieutenant W. W. H. Greathed, of Engineers, leave of absence from the 1st July to the 31st of October next, to visit Simla and the Hills North of Deyrah, on Medical Certificate.

Simla, 15th September, 1849.

Intimation having been made to the Governor General that Statements were in wide circulation, imputing to the 1st Regiment of Seik Local Infantry disloyal conduct, and manifestations of a spirit of disaffection; His Lordship deemed it right that these Statements should be subjected to examination.

For that purpose His Excellency the Commander-in-Chief was requested to assemble a Court of Enquiry at Hooshearpore, to investigate the conduct of that Regiment, which was alleged to have conspired against its Officers and against the State during the late War.

The Court of which Brigadier Wheeler, C. B., was President, have now submitted their Proceedings.

From the evidence given before the Court and from the documents there produced, it appears that there did not at any time exist in the 1st Regiment, Seik Local Infantry, a spirit of disaffection either towards the State or towards their own Officers; and that therefore the Statements which have been made to the effect, that such

spirit of disaffection did prevail, are without foundation.

The Governor General desires to give publicity to this result of the proceedings of the Special Court of Enquiry, in justice to the Officers and men of a Corps, which during the late War, in the face of strong temptation, and under circumstances of great peculiarity, behaved with gallantry, when serving against their own countrymen in the field, and faithfully and cheerfully performed every duty it owed to the Government which it serves.

No. 7

Fort William, Financial Department, the 31st March, 1849

Notification.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of ⅞ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1s 10*d* per Company's Rupee, until further notice.

It is also further notified, that in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to *insure*, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

Published by order of the Hon'ble the President in Council,

J. A. Dorin,
Secy. to the Govt. of India.

XX. The tolls collected under this Act, and all sums of money received by way of composition for tolls, shall be applied, in the first place, to defray the wages of the Toll Collectors and other expenses absolutely necessary for the collection of the tolls, and in the next place to repairing, maintaining, cleaning and lighting the Pier and the works and buildings connected therewith, and in the next place to pay such salaries and expenses as are sanctioned by the Company, and to the improvement of the Pier and other works as the Company, from time to time, shall resolve; and then in payment of such dividends as the Company, from time to time, shall declare to be payable.

XXI. The Owners and Masters, or persons having charge of any vessel lying in the roadstead of Madras, shall be jointly and severally answerable for any damage or mischief done to the Pier or works of the said Company by their vessels respectively, or any boat belonging thereto, or by any Seaman, Boatman or other person employed by them respectively, and shall be liable to pay any compensation and costs of the proceedings on account of such damage or mischief, which may be recovered in one of the Supreme Courts of Judicature established at Madras, Calcutta and Bombay, or when the amount does not exceed two hundred Rupees may be awarded to be paid by a Justice of the Peace of the Town of Madras: and all sums so awarded to be paid by a Justice of the Peace may be recovered, in like manner, as penalties under this Act.

XXV. Whether or not any penalty shall have been imposed on the actual offender, the Madras Pier Company shall be liable to be sued in an action on the case for any loss, damage or inconvenience sustained by any person lawfully using or desirous of lawfully using the said Pier, or the approaches thereunto, through any wilful obstruction, hindrance or delay caused to such person by any of their Officers or Servants.

XXVI. The Master Attendant and his Deputy, the Collector of Sea Customs and his Deputy, with their Boats, Vessels and Crews, and also all Officers of Customs and Police Officers in the discharge of their duty, shall be allowed to use the said Pier at all times, and freely to pass and repass thereon without payment of any toll.

XXVII. Grain and all other goods may be landed at the said Pier, without being liable to any penalty under Section X. Act IV., 1842.

4. The Forms of Attestation to be used for Recruits, and the period within which they are to be taken before a Magistrate, not being an Officer in the Army, to be attested, are laid down in the Annual Mutiny Act. These Forms will be supplied from the office of the Adjutant General of the Army, and copies of them are subjoined.—(Form A.)

5. The Standards for the age and height at which Recruits are eligible to be enlisted, will be laid down by the Commander-in-Chief.

6. No Bounty is sanctioned to persons who are not eligible as Recruits by the fixed Standards, but who are admitted into the service as an indulgence. 7. Boys of European Parentage, being the Sons of Soldiers in the East India Company's Service, may be enlisted by Special Authority into the Artillery and Infantry, for the purpose of being trained as Trumpeters and Drummers, under the 10th and 11th Vic. The following Draft of a proposed Act was read in Council for the first time on the 15th of September 1849.

ACT No. —— OF 1849.

An Act to incorporate a Company for building a Pier at Madras.

Whereas a Company has been formed for building a Pier at Madras, which undertaking will be of great public utility, and ought to be encouraged, It is enacted as follows :

I. A deed of partnership for the said Company shall be prepared, subject to the approval of the Advocate General of the East India Company at Madras, and as soon as the deed so approved shall have been executed by the holders of four-fifths of the whole number of the shares in the said undertaking, either personally or by their lawfully constituted Attornies, and one-tenth part of the value of each share shall have been paid into the Bank of Madras or invested in Government Securities on account of the said Company, any seven or more persons, parties to the said deed, may apply to the Supreme Court of Judicature established by Royal Charter at Madras by Petition for leave to register the said deed in the Supreme Court, and the said Court, on being satisfied that the Provisions of this Act have been duly complied with, shall order the deed to be so registered.

II. The original Capital Stock of the said Company shall be five lakhs of Rupees, and shall be divided into one thousand shares, each of five hundred Rupees, and the amount of the Capital Stock may be at any time increased, by the creation of new shares of five hundred Rupees, to such amount as shall be approved by the Governor of Fort St. George in Council: but no such increase of Capital Stock shall be allowed to be made until a Memorial of such increase shall have been registered with the approval of the Governor in Council in the said Supreme Court.

III. Upon the registry of the deed of partnership, the persons by whom the said deed is executed, and all persons, who shall thereafter become possessed of any share in the said undertaking and their successors, shall be incorporated by the style of "The Madras Pier Company," and by that name shall have perpetual succession and a common Seal, and shall plead and be impleaded in all Courts and before all Justices and others, and may purchase and hold lands for the purposes of this Act.

IV. No action or suit, by or against the said Company, shall be affected by reason of the Plaintiff or Defendant therein being or having been a shareholder of the Company: but any such shareholder, either alone, or jointly with any other person or persons as against the Company, or the Company as against such shareholder, either alone, or jointly with any other person or persons, shall have the same right of action and remedy in respect of any cause whatever as if the same had arisen with a stranger.

V. Subject to the regulations of the deed of partnership, every shareholder may sell and transfer his shares in the said Company by deed in the form given in the Schedule (marked A) annexed to this Act or to the like effect, and the same, when duly executed, shall be delivered to the Secretary to the Company, who shall make an entry thereof in a book to be called the Register of transfers, and shall endorse such entry on the deed of transfer, for which entry and endorsement the Company shall be entitled to have the sum of one Rupee, and the Secretary shall give to the purchaser an acknowledgment of the transfer having been completed: and until such entry and endorsement are made the purchaser of the share shall not be entitled to receive any share of the profits of the undertaking, or to vote in respect of such share.

VI. The Company shall not be bound to see to the execution of any trust, whether express implied of constructive, to which any share is subject, and whether or not they have had notice of such trust, and the receipt of the person in whose name any share stands in the books of the Company, or in the case of a minor idiot or lunatic of his or her guardian or Committee, or when more than one person is interested in any share, the receipt of the person whose name stands first in the register, opposite to such share, shall be a sufficient discharge to the Company for any dividend on account of such share, and the Company shall not be bound to see to the application of the money paid on such receipt.

VII. The Capital Stock of the said Company and the lands, works and buildings belonging to them, and all the property of the said Company, shall be held by them, and their successors as personal estate, and not as of the nature of real estate.

VIII. All suits brought against the said Company shall be brought in the Supreme Court of Judicature at Fort St. George, and not elsewhere, except as hereinafter provided, in the case of neglect or abandonment of the Pier.

IX. Service of any notice, writ or other proceeding, personally upon any Manager or Secretary of the Madras Pier Company, or by leaving the same with any clerk in the service of the said Company at their office or place of business, shall be deemed good service upon the said Company.

X. The said Madras Pier Company shall be empowered to build a Pier or landing place on such part of the beach of the Town of Madras as they shall think fit, but if built more than

yards southward of the present Custom House, not without the approval of the Governor of Fort St. George in Council, and for that purpose shall be empowered to dig out the beach and soil, at and near the place of such Pier, and to make all fit and convenient approaches thereunto, and, if they think fit, to enclose such approaches, and also to establish and maintain cranes and weighing houses, toll gates and houses, and all other buildings and appurtenances for landing and shipping men, animals and goods of all kinds at the said Pier, and for securing payment of the tolls hereinafter mentioned.

XI. The said Madras Pier Company may lay and maintain, from any part of the said pier to the Custom House for the time being, at Madras, such railways or tram roads as the said Company, with the approval of the Governor in Council, shall think fit under such restrictions and regulations where the same shall cross any public road or way as the Governor in Council shall think fit.

XII. The said Madras Pier Company may lay down pipes for the supply of water to the shipping along the said Pier, and from the Pier to the Government waterworks, or such other tanks, wells and reservoirs of water as they think fit; and may dig into any of the public thoroughfares for the purpose of laying or repairing any such pipes, under such restrictions as the Governor in Council shall think fit for causing as little obstruction as possible to the public thoroughfares: and the Company shall be bound, with as little delay as possible, to restore any thoroughfare to its former state at their own expense.

XIII. The said Madras Pier Company shall be bound to light the said Pier and the approaches thereto, by means of a sufficient number of lamps, to the satisfaction of the Governor in Council.

XIV. The Madras Pier Company shall be empowered to make, from time to time, such bye-laws as they shall find necessary for keeping order and preventing nuisances on the Pier and the approaches thereunto, and for regulating the approach and stations of boats and vessels near the said Pier, and for the behaviour of the boatmen and others making use of the said Pier, and may impose penalties for the breach of such bye-laws not exceeding the sum of fifty Rupees for any one offence, or, in the case of continuing nuisance, not exceeding the sum of five Rupees for every day during which the nuisance is continued.

XV. No such bye-law shall be of force until approved by the Governor of Fort St. George in Council, nor until the same, as approved by the Governor in Council, has been published for one week in the *Madras Gazette*: and a copy of the *Gazette* containing such bye-law shall be proof in all Courts and before all Justices that the same was duly made and approved.

XVI. The Madras Pier Company shall be entitled to have, from all persons using the said Pier, such tolls as they, by any bye-law from time to time, shall think fit to impose not exceeding the rate of the tolls set forth in the Schedule, marked B, annexed to this act.

XVII. Copies of all bye-laws made under this Act shall be put up so as to be easily read in English and Dukkhinee in the office of the Company, and in some conspicuous place or places on the Pier: and a copy of all such bye-laws shall be given by the Company, either in English or Dukkhinee to every person applying for the same, on payment of four Annas, and the Company shall be liable to a penalty of fifty Rupees for every day during which, by their default, such copies are not put and kept up in the Office and on the Pier as aforesaid.

XVIII. The Madras Pier Company, by themselves or their Servants, may stop any person neglecting or refusing to pay any toll which may be lawfully payable by him or her for the use of the said Pier, and may seize and distrain any boat, carriage or other conveyance, or any horse or other animal, or any goods carried or drawn thereon or thereby, for which a toll is lawfully payable, and if such toll and the reasonable costs of such seizure and distraint are not paid within twenty-four hours next after such seizure, may sell the same and re-imburse themselves for all costs and charges incident to such seizure and sale over and above the amount of the toll, returning the overplus, if any, to the Owner on demand.

XIX. All disputes concerning the amount of any toll, or the charge of keeping and selling any distress, may be heard and determined by any Justice of the Peace for the Town of Madras, who shall have power to examine as well the servants of the Company as the person charged with payment of the toll, and all other witnesses, and to award such sum as he shall think fit, to be payable for costs and damages by one party to the other; all which costs and damages shall be recovered, with the costs of the proceedings, in like manner as penalties imposed under this Act.

XX. The following Draft of a proposed Act was read in Council for the first time on the 29th of September 1849.

ACT No. —— 1849.

For the amendment of Procedure in Cases of Appeal to the Sudder Court.

Whereas inconvenience has resulted from the rule allowing petitions of Appeal to the Sudder Dewanny Adawlut from Judgments of Principal Sudder Ameens, or of the Judges of the Zillah or City Courts, to be presented either in the Sudder Court, or in the Court in which the decision was passed, and from the rule allowing the specific objections to the Judgment and detailed grounds and reasons for preferring the Appeal to be, at the option of the party, either stated in the original petition of Appeal, or afterwards filed in the Court trying the Appeal, as a separate pleading,

It is enacted as follows, in modification of Section X., Regulation VI., 1793, Section III., Regulation XII., 1797, and Section VIII., Regulation XXVI., 1814, of the Bengal Code.

I. Every petition of Regular Appeal in a case appealable to the Sudder Court, shall be presented to the Court in which the decision was passed, within three months from the day of the decision: such petition of Appeal shall not contain the specific reasons of the Appeal; but shall state shortly that the party, being dissatisfied with the Judgment, is desirous of appealing from it.

II. The proceedings held in the cause of Appeal shall be certified to the Sudder Dewanny Adawlut as soon as conveniently may be done; and notice thereof in writing shall be given to the Appellant.

III. Within three months thereafter the Appellant shall present to the Sudder Dewanny Adawlut the specific objections to the Judgment and detailed reasons for preferring the Appeal; otherwise it shall be dismissed, unless he shall show reasonable cause to the satisfaction of the Sudder Court for his default.

Ordered, that the Draft now read be published for general information.

Fort William, Financial Department, the 31st March, 1849.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of ⅞ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1*s.* 10*d.* per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to *insure*, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

The following Draft of a proposed Act was read in Council for the first time on the 29th of September 1849.

ACT No. —— 1849.

For the amendment of Procedure in Cases of Appeal to the Sudder Court.

Whereas inconvenience has resulted from the rule allowing petitions of Appeal to the Sudder Dewanny Adawlut from Judgments of Principal Sudder Ameens, or of the Judges of the Zillah or City Courts, to be presented either in the Sudder Court, or in the Court in which the decision was passed, and from the rules allowing the specific objections to the Judgment and detailed grounds and reasons for preferring the Appeal to be, at the option of the party, either stated in the original petition of Appeal, or afterwards filed in the Court trying the Appeal, as a separate pleading,

It is enacted as follows, in modification of Section X., Regulation VI., 1793, Section III., Regulation XII., 1797, and Section VIII., Regulation XXVI., 1814, of the Bengal Code.

I. Every petition of Regular Appeal in a case appealable to the Sudder Court, shall be presented to the Court in which the decision was passed, within three months from the day of the decision: such petition of Appeal shall not contain the specific reasons of the Appeal, but shall state shortly that the party, being dissatisfied with the Judgment, is desirous of appealing from it.

II. The proceedings held in the cause of Appeal shall be certified to the Sudder Dewanny Adawlut as soon as conveniently may be done; and notice thereof in writing shall be given to the Appellant.

III. Within three months thereafter the Appellant shall present to the Sudder Dewanny Adawlut the specific objections to the Judgment and detailed reasons for preferring the Appeal; otherwise it shall be dismissed, unless he shall show reasonable cause to the satisfaction of the Sudder Court for his default.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 29th day of November next.

Whereas it is expedient to regulate the Public Ferries within the Territories subject to the Presidency of Bombay, It is enacted as follows:

I. The Governor of Bombay in Council may declare by Proclamation what Ferries within any part of the Territories subject to the Presidency of Bombay, shall be deemed Public Ferries, and at any time hereafter, by a like Proclamation, may establish new Ferries where they are needed, and from time to time change the course of any Public Ferry, or discontinue any Public Ferry that is deemed unnecessary.

II. Tolls according to such rates as shall from time to time be settled or approved by the Governor of Bombay in Council shall be levied upon all Passengers, Carts, Carriages, Cattle and other Animals, and on all Goods and Merchandize carried over any Public Ferry.

III. No Tolls shall be leviable from any body of Soldiery on their march.

IV. Boats shall be provided under the authority of the Governor of Bombay in Council for each Public Ferry, and Tindals, Boatmen and other persons shall be appointed for their due Navigation.

V. At every Public Ferry-station a Toll-keeper shall be appointed with a sufficient Establishment, whose duty it shall be to take the lawful Tolls.

VI. A Table of Tolls written or printed in the English and Native Languages shall be hung up in some conspicuous place at every Ferry-station so as to be easily read by all persons crossing the Ferry.

VII. Every Toll-keeper, who shall neglect to hang up and keep in good order and repair such Table of Tolls, or who shall wilfully remove, alter, or deface the same, or allow it to become illegible, shall be liable to a penalty of Ten Rupees.

VIII. Every Toll-keeper, who shall ask or take any Toll other than is allowed by the Table of Tolls, or who shall wilfully delay any Passenger, Cart, Carriage, Animal or Goods, shall be liable to a penalty of Fifty Rupees.

IX. Every person crossing at any such Public Ferry, who shall refuse to pay the Toll, or who, with intent of avoiding payment thereof, shall fraudulently or forcibly pass by or through any Toll-station without paying the Toll, or who shall obstruct any Toll-keeper or any of his Assistants in any way in the execution of their duty under this Act, and also every person, who shall maliciously damage any Toll Bar, Boat, or any other thing employed in or about any Public Ferry, or who shall maliciously remove, alter, destroy, or damage any Table of Tolls hung up as hereinbefore directed, shall be liable to a penalty not exceeding Fifty Rupees, over and above the value of the damage which he has done.

X. All Public Ferry-boats shall be numbered and registered as the Governor of Bombay in Council shall direct, and the names of all Tindals, or persons placed in charge thereof, and of all Toll-keepers shall likewise be so registered.

XI. The Magistrate of every Zillah in which there shall be a Public Ferry, and any Magistrate of Police of Bombay, whom the Governor in Council may appoint for such purpose within their respective jurisdictions shall make Rules subject to confirmation by the Governor in Council, fixing the number of Passengers, Carts, Carriages and Animals, and the quantity of Goods that may be carried in any Public Ferry-boat at one trip, and for the safe and convenient carriage of Passengers and property, and for keeping the Ferry-boats in good order, and otherwise for the due discharge of their duty by all Tindals, Toll-keepers and other persons employed at any Public Ferry, and any Tindal, Toll-keeper or other person infringing or disobeying any such Rule, shall be liable to make good any loss or damage which shall have been caused thereby, which may be summarily ascertained by any Magistrate within whose jurisdiction the offence was committed, and the amount thereof may be recovered as any penalty under this Act may be recovered.

XII. The Governor of Bombay in Council may lease any Public Ferry by public auction, or private contract, from year to year or any longer period, not exceeding seven years, on such conditions as he deems advisable, in which case a contract setting forth the conditions on which the Ferry is to be held shall be executed by the Contractor or Farmer, and Security shall by him be given for its due fulfilment.

XIII. If a Public Ferry is established between the Island of Bombay and the Mainland, the Ferry-boat shall cross each way at least ( ) daily unless hindered by stress of weather or other unavoidable accident.

XIV. Every person, who shall convey for hire or other consideration any Passenger or any Cart, Carriage, Animal or Goods, the property of any other person, across any River, Stream, Creek or Arm of the Sea, within the said Presidency, otherwise than across the harbour of Bombay to any point or place on the opposite bank or coast by any boat or other means within a distance of three miles above or below any Public Ferry, without the special license of a Magistrate of the zillah or town in which the Ferry is situated, shall be liable to a penalty not exceeding Five Hundred Rupees; but this prohibition and penalty shall not apply to any person specially hiring any bunder or other boat for the carriage of himself and family, or friends with their goods and servants, across the Sea between Bombay and the Mainland, nor to the person letting a boat or bunder to hire for such purpose.

XV. All offences against this Act shall be summarily heard and determined by the Magistrate of the zillah within the limits of which the same shall have been committed, and if within the limits of the jurisdiction of the Supreme Court of Bombay by any Magistrate of Police of Bombay. All Penalties shall be recovered in the manner directed for the recovery of the fines specified in Regulation XIX. of 1827, Section XIV., Clauses 1, 2 and 3, of the Bombay Code.

XVI. All Tolls payable on account of any Public Ferry, and all rent payable on account of such of them as are farmed, and all penalties for offences against this Act, shall form a general Fund, which shall be applied in the first instance toward the expences necessary for keeping up all the Ferries throughout the Presidency of Bombay, and the residue, if any, shall be applied under the directions of the Governor of Bombay in Council in the improvement of the public roads, ways, thoroughfares, leading to and from any of the said Ferries.

XVII. The Governor of Bombay in Council may appoint such officers and other persons as shall be necessary for carrying this Act into execution with such salaries as the Governor General of India in Council shall approve to be paid out of the Fund produced by the Tolls and Fines as provided by this Act, and the Governor of Bombay in Council may from time to time delegate any of the powers conferred on him by this Act to any Magistrate or other person as he thinks fit.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 6th day of January next.

No. 7.

Fort William, Financial Department, the 31st March, 1849.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of ⅔ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1*s.* 10*d.* per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to *insure*, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

Produce of Behar Agency, Chests,	2,085
Ditto of Benares, ditto, ...	865
Total Chests,.....	2,950

CONDITIONS OF SALE.

1st. The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2nd. The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12, of the Conditions of Sale.

3rd. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for sale shall remain unsold, the sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday, or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining lots are disposed of, or if the quantity of 2,950 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future sale.

4th. Each lot to contain five Chests.

5th. A deposit, in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1000, at the discretion of the Officer, superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government on or before 4 o'Clock of the afternoon of Wednesday, the 28th November 1849, or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be resold at such time or times, and under such conditions of Re-sale as the Board of Customs, Salt and Opium shall see fit, and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last mentioned condition, if remaining unredeemed on the said 28th November 1849, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 28th November 1849, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 p. m. of Tuesday, the 11th December 1849, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent., even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such resale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out, shall be considered final, and not afterwards changeable for other Certificates or Orders, authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer, superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual unless such individual shall on demand tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent., even money of the amount so bid, or Rupees 1,000 for each lot.

12th. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, super-

intending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bonâ fide* bidder for a lot after it has been offered for Sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may thing proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

13th. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased the purchaser shall deposit for each lot 25 per Cent., even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers together with samples of the Opium for Sale will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now advertized for sale.

No. 2. Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity above mentioned, the following quantities, more of less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below:

It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for Sale at the Twelve Sales in the Months of November and December 1849, and January, February, March, April, May, June, July, August, September and October 1850, there shall be delivered to them, at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the Season within 30 days after the publication of this advertizement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 35,374 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium, which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article 6th. *Article of the Convention above referred to.* "With regard to the Trade in "Opium it is agreed between "the high contracting parties "that at each of the periodical "Sales of that article there "shall be reserved for the French Government "and delivered upon requisition duly made by "the Agents of His Most Christian Majesty or by "the persons duly appointed by them, the number "of Chests so applied for, provided that such sup-"ply shall not exceed Three Hundred Chests in "each year, and the price for the same shall be de-"termined by the average rate at which Opium "shall have been sold at every such periodical "Sale; it being understood that, if the quantity of "Opium applied for at any one time shall not be "taken on account of the French Government by "the Agents of His Most Christian Majesty "within the usual period of delivery the quantity "so applied for shall nevertheless be considered "as so much in reduction of the Three Hundred "Chests hereinbefore mentioned: the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shall have "been published in the Government Gazette."

By order of the Board of Customs, Salt and Opium,

No. 7.

Fort William, Financial Department, the 31st March, 1849.

NOTIFICATION.—Notice is hereby given, that in pursuance of instructions received from the Hon'ble the Court of Directors, Supplies on account of the Home Treasury, will continue to be raised during the ensuing Official Year 1849-50, on the security of Goods to be hypothecated to the East India Company, and that, so far as is at present known, the sum required to be provided in India by the purchase of Bills will be £900,000 liable, however, to such modification or extension as may hereafter be demanded by the exigencies of the Public Service.

Advances of Cash will accordingly be made, for this purpose, by the Governments of Bengal, Madras and Bombay, to the extent of ⅔ths of the value of the Goods hypothecated, and the Bills in repayment of these advances are to be drawn at six months' sight, at the rate of 1*s.* 10*d.* per Company's Rupee, until further notice.

It is also further notified, that, in pursuance of instructions received from the Hon'ble the Court of Directors, the Governments of Bengal, Madras and Bombay, have been authorized, in any case in which they may consider such a course to be expedient, to dispense with the obligation to *insure*, which is imposed by the existing terms and conditions upon parties who may obtain advances from the respective Governments, on the security of Goods hypothecated to the East India Company, intimating to them that the Hon'ble Court will make the insurance in England, and requiring a Declaration binding the parties to repay the premium upon insurances, which the Court may effect before the Bills of Lading and other Shipping Documents are handed over to their Agents.

It is to be understood that the Insurance to be effected, will only be to the amount of the advance in each case, so as to cover the East India Company's risk.

In all other respects the existing terms and conditions of the advances to be made by the respective Governments, will remain in force, and be the same as published in the *Calcutta Gazette* under date the 1st April 1842.

The following Draft of a proposed Act was read in Council for the first time on the 29th of September 1849.

ACT No. —— 1849.

For the amendment of Procedure in Cases of Appeal to the Sudder Court.

Whereas inconvenience has resulted from the rule allowing petitions of Appeal to the Sudder Dewanny Adawlut from Judgments of Principal Sudder Ameens, or of the Judges of the Zillah or City Courts, to be presented either in the Sudder Court, or in the Court in which the decision was passed, and from the rule allowing the specific objections to the Judgment and detailed grounds and reasons for preferring the Appeal to be, at the option of the party, either stated in the original petition of Appeal, or afterwards filed in the Court trying the Appeal, as a separate pleading,

It is enacted as follows, in modification of Section X., Regulation VI., 1793, Section III., Regulation XII., 1797, and Section VIII., Regulation XXVI., 1814, of the Bengal Code.

I. Every petition of Regular Appeal in a case appealable to the Sudder Court, shall be presented to the Court in which the decision was passed, within three months from the day of the decision: such petition of Appeal shall not contain the specific reasons of the Appeal; but shall state shortly that the party, being dissatisfied with the Judgment, is desirous of appealing from it.

II. The proceedings held in the cause of Appeal shall be certified to the Sudder Dewanny Adawlut as soon as conveniently may be done; and notice thereof in writing shall be given to the Appellant.

III. Within three months thereafter the Appellant shall present to the Sudder Dewanny Adawlut the specific objections to the Judgment and detailed reasons for preferring the Appeal; otherwise it shall be dismissed, unless he shall show reasonable cause to the satisfaction of the Sudder Court for his default.

II. Tolls according to such rates as shall, from time to time, be settled or approved by the Governor of Bombay in Council, shall be levied upon all Passengers, Carts, Carriages, Cattle and other Animals, and on all Goods and Merchandize carried over any Public Ferry.

VI. A Table of Tolls, written or printed in the English and Native Languages, shall be hung up in some conspicuous place at every Ferry-station, so as to be easily read by all persons crossing the Ferry.

VII. Every Toll-keeper, who shall neglect to hang up and keep in good order and repair such Table of Tolls, or who shall wilfully remove, alter, or deface the same, or allow it to become illegible, shall be liable to a penalty of Ten Rupees.

VIII. Every Toll-keeper, who shall ask or take any Toll other than is allowed by the Table of Tolls, or who shall wilfully delay any Passenger, Cart, Carriage, Animal or Goods, shall be liable to a penalty of Fifty Rupees.

IX. All Penalties shall be recovered in the manner directed for the recovery of the fines specified in Regulation XIX. of 1827, Section XIV., Clauses 1, 2 and 3, of the Bombay Code.

XVI. All Tolls payable on account of any Public Ferry, and all rent payable on account of such of them as are farmed, and all penalties for offences against this Act, shall form a general Fund, which shall be applied, in the first instance, toward the expenses necessary for keeping up all the Ferries throughout the Presidency of Bombay, and the residue, if any, shall be applied under the directions of the Governor of Bombay in Council, in the improvement of the public roads, ways, thoroughfares, leading to and from any of the said Ferries.

XVII. Fort William, the 8th October, 1849.

Opium. NOTICE is hereby given, that on Monday, the 26th November 1849, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the Provision of 1848-49, subject to the following conditions, viz :

Produce of Behar Agency, Chests,	2,085
Ditto of Benares, ditto,	865
Total Chests,	2,950

CONDITIONS OF SALE.

1st. The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2nd. The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12, of the Conditions of Sale.

3rd. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertized for sale shall remain unsold, the sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining lots are disposed of, or if the quantity of 2,950 Chests shall not be sold on the day advertized, the Board may dispose of the lots which remain on hand at a future sale.

4th. Each lot to contain five Chests.

5th. A deposit, in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000, at the discretion of the Officer, superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government on or before 4 o'Clock of the afternoon of Wednesday, the 28th November 1849, or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be resold at such time or times, and under such conditions of Re-sale as the Board of Customs, Salt and Opium shall see fit, and all losses and expenses whatsoever attending such Re-sale shall be borne and paid by the defaulters, whilst any profit

accruing from such Re-sale shall be forfeited to Government.

6th. The Promissory Notes taken on the day of Sale, under the last mentioned condition, if remaining unredeemed on the said 28th November 1849, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th. No tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 28th November 1849, will be afterwards accepted.

8th. The Opium, now advertized for Sale, shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 11th December 1849, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent., even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the Re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such Re-sale.

9th. Purchasers taking out Certificates or Orders for the delivery of Opium after making full payment as above prescribed shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out, shall be considered final, and not afterwards changeable for other Certificates or Orders, authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10th. No Sub-Treasurer's Receipts or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th. The Officer, superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual unless such individual shall on demand tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent., even money of the amount so bid, or Rupees 1,000 for each lot.

12th. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government, superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bonâ fide* bidder for a lot after it has been offered for Sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government, superintending the Sale, shall also be competent to dispose in the same manner of as many of the subsequent lots as he may thing proper, provided always that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2nd Clause of these Conditions.

13th. The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of Twenty-five lots, and for the lots so purchased the purchaser shall deposit for each lot 25 per Cent., even money of the amount bid by him for the first lot, or Rupees 1,000 for each lot, and pay the same price per Chest as that for which he purchased his first lot, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium, included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th. The following papers together with samples of the Opium for Sale will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now advertized for sale.

No. 2. Report of the examination of such Opium.

16th. The public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1848-49, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug, which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

18th. The public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more of less of Behar and Benares Opium of 1848-49, will be brought to Sale in the present season on or about the dates specified below:

The following Draft of a proposed Act was read in Council for the first time on the 6th of October, 1849.

ACT No. —— OF 1849.

An Act for regulating the Bombay Ferries.

Whereas it is expedient to regulate the Public Ferries within the Territories subject to the Presidency of Bombay, It is enacted as follows:

I. The Governor of Bombay in Council may declare by Proclamation what Ferries within any part of the Territories subject to the Presidency of Bombay, shall be deemed Public Ferries, and at any time hereafter, by a like Proclamation, may establish new Ferries where they are needed, and, from time to time, change the course of any Public Ferry, or discontinue any Public Ferry that is deemed unnecessary.

II. Tolls according to such rates as shall, from time to time, be settled or approved by the Governor of Bombay in Council, shall be levied upon all Passengers, Carts, Carriages, Cattle and other Animals, and on all Goods and Merchandize carried over any Public Ferry.

III. No Tolls shall be leviable from any body of Soldiery on their march.

IV. Boats shall be provided under the authority of the Governor of Bombay in Council for each Public Ferry, and Tindals, Boatmen and other persons shall be appointed for their due Navigation.

V. At every Public Ferry-station a Toll-keeper shall be appointed with a sufficient Establishment, whose duty it shall be to take the lawful Tolls.

VI. A Table of Tolls, written or printed in the English and Native Languages, shall be hung up in some conspicuous place at every Ferry-station, so as to be easily read by all persons crossing the Ferry.

VII. Every Toll-keeper, who shall neglect to hang up and keep in good order and repair such Table of Tolls, or who shall wilfully remove, alter, or deface the same, or allow it to become illegible, shall be liable to a penalty of Ten Rupees.

VIII. Every Toll-keeper, who shall ask or take any Toll other than is allowed by the Table of Tolls, or who shall wilfully delay any Passenger, Cart, Carriage, Animal or Goods, shall be liable to a penalty of Fifty Rupees.

IX. Every person crossing at any such Public Ferry, who shall refuse to pay the Toll, or who, with intent of avoiding payment thereof, shall fraudulently or forcibly pass by or through any Toll-station without paying the Toll, or who shall obstruct any Toll-keeper or any of his Assistants, in any way in the execution of their duty under this Act, and also every person, who shall maliciously damage any Toll Bar, Boat, or any other thing employed in or about any Public Ferry, or who shall maliciously remove, alter, destroy or damage any Table of Tolls hung up as hereinbefore directed, shall be liable to a penalty not exceeding Fifty Rupees, over and above the value of the damage which he has done.

X. All Public Ferry-boats shall be numbered and registered as the Governor of Bombay in Council shall direct, and the names of all Tindals, or persons placed in charge thereof, and of all Toll-keepers, shall likewise be so registered.

XI. The Magistrate of every Zillah in which there shall be a Public Ferry, and any Magistrate of Police of Bombay, whom the Governor in Council may appoint for such purpose within their respective jurisdictions, shall make Rules subject to confirmation by the Governor in Council, fixing the number of Passengers, Carts, Carriages and Animals, and the quantity of Goods that may be carried in any Public Ferry-boat at one trip, and for the safe and convenient carriage of Passengers and property, and for keeping the Ferry-boats in good order, and otherwise for the due discharge of their duty by all Tindals, Toll-keepers and other persons employed at any Public Ferry, and any Tindal, Toll-keeper or other person infringing or disobeying any such Rule, shall be liable to make good any loss or damage which shall have been caused thereby, which may be summarily ascertained by any Magistrate within whose jurisdiction the offence was committed, and the amount thereof may be recovered as any penalty under this Act may be recovered.

XII. The Governor of Bombay in Council may lease any Public Ferry by public auction, or private contract, from year to year, or any longer period not exceeding seven years, on such conditions as he deems advisable, in which case a contract setting forth the conditions on which the Ferry is to be held, shall be executed by the Contractor or Farmer, and Security shall by him be given for its due fulfilment.

XIII. If a Public Ferry is established between the Island of Bombay and the Mainland, the Ferry-boat shall cross each way at least ( ) daily unless hindered by stress of weather or other unavoidable accident.

XIV. Every person, who shall convey for hire or other consideration any Passenger or any Cart, Carriage, Animal or Goods, the property of any other person, across any River, Stream, Creek or Arm of the Sea, within the said Presidency, otherwise than across the harbour of Bombay to any point or place on the opposite bank or coast by any boat or other means within a distance of three miles above or below any Public Ferry, without the special license of a Magistrate of the zillah or town in which the Ferry is situated, shall be liable to a penalty not exceeding Five Hundred Rupees; but this prohibition and penalty shall not apply to any person specially hiring any bunder or other boat for the carriage of himself and family, or friends, with their goods and servants, across the Sea between Bombay and the Mainland, nor to the person letting a boat or bunder to hire for such purpose.

XV. All offences against this Act shall be summarily heard and determined by the Magistrate of the zillah within the limits of which the same shall have been committed, and if within the limits of the jurisdiction of the Supreme Court of Bombay by any Magistrate of Police of Bombay. All Penalties shall be recovered in the manner directed for the recovery of the fines specified in Regulation XIX. of 1827, Section XIV., Clauses 1, 2 and 3, of the Bombay Code.

XVI. All Tolls payable on account of any Public Ferry, and all rent payable on account of such of them as are farmed, and all penalties for offences against this Act, shall form a general Fund, which shall be applied, in the first instance, toward the expenses necessary for keeping up all the Ferries throughout the Presidency of Bombay, and the residue, if any, shall be applied under the directions of the Governor of Bombay in Council, in the improvement of the public roads, ways, thoroughfares, leading to and from any of the said Ferries.

XVII. The Governor of Bombay in Council may appoint such officers and other persons as shall be necessary for carrying this Act into execution with such salaries as the Governor General of India in Council shall approve to be paid out of the Fund produced by the Tolls and Fines as provided by this Act, and the Governor of Bombay in Council may, from time to time, delegate any of the powers conferred on him by this Act to any Magistrate or other person as he thinks fit.

Ordered, that the Draft now read be published for general information.
